15.1 Save as provided in Clause 15.2, all right, title and interest (including all Intellectual Property) in and to the Deliverables shall be the exclusive property of and shall vest in Customer upon creation and Supplier hereby assigns and agrees to assign by way of a present assignment of future rights, with full title guarantee, to Customer all right, title and interest in connection with the same without further consideration. Supplier shall not be entitled to use the whole or any part of the Deliverables except as permitted by this Agreement.

15.2 All right, title and interest (including all Intellectual Property) in the Background Elements shall be the exclusive property of Supplier. Customer shall not be entitled to use the whole or any part of the Background Elements except as permitted by this Agreement. Supplier hereby grants Customer a non-exclusive, world-wide, royalty free, irrevocable, perpetual and fully transferable licence (including rights to sub-licence) for Customer to use the Background Elements where and to the extent necessary to allow Customer, members of the Customer Group and any relevant customers thereof, to benefit from the Services and use the Deliverables.

15.3 Supplier shall, at the request of Customer, sign and execute and shall procure the signature and execution of all assignments, instruments and other documents, and shall do and shall procure the doing of all acts (including the waiver of moral rights in copyright), as may be necessary or desirable to give effect to Clause 15.1 and/or assist Customer and/or its nominee to protect, maintain and enforce the rights acquired by Customer pursuant to Clause 15.1.

15.4 All Customer Property shall be and shall remain the exclusive property of Customer, the relevant member of the Customer Group and/or the relevant licensor and Supplier shall acquire no right, title or interest in or to the same. Customer hereby grants a licence to Supplier to use such Customer Property solely for the purpose of providing the Deliverables.

16. TUPE & PAYROLL COMPLIANCE

- 16.1 The parties do not consider or intend that the contract of employment of any person (or any liability in connection therewith) will transfer to Customer, the Customer Group or any New Supplier as a result of any arrangements contemplated by this Agreement in accordance with TUPE and accordingly no person will transfer to Customer, the Customer Group or to any New Supplier as a result of the arrangements contemplated by this Agreement.
- 16.2 If the contract of employment of any person (or any liability in connection therewith) transfers or is alleged to have transferred (an “**Affected Employee**”) to Customer, a member of the Customer Group or to a New Supplier (an “**Affected Employer**”) by virtue of TUPE as a result of any of the arrangements contemplated by this Agreement (including as a result of the termination of this Agreement in whole or in part), the following provisions shall apply:
- 16.2.1 the Affected Employer or Supplier (as applicable) will notify the other as soon as reasonably practicable after becoming aware that an Affected Employee is likely to transfer, has transferred or alleges to have transferred to the Affected Employer;
- 16.2.2 the Affected Employer may terminate the employment of any Affected Employee in writing within twenty (20) business days of becoming aware of such transfer or alleged transfer; and
- 16.2.3 provided the Affected Employer complies with Clause 16.2.1 (where such person remains employed or engaged) and Clause 16.2.2 Supplier shall indemnify the Affected Employer and keep the Affected Employer indemnified and hold it harmless at all times from and against all actions, costs (including legal expenses), claims liabilities, expenses, legal remedies, compensation, court or tribunal orders, penalties, fines, awards and all other liabilities of any nature in any way connected with or arising from or relating to any claim or threatened claim which the Affected Employer may suffer or incur and which arises in connection with, or relates to the employment of such a person and/or the termination of their employment and/or any failure to inform and consult as required by TUPE.
- 16.3 Without prejudice to the provisions of Clauses 16.1 and 16.2, within fourteen (14) days of a request from Customer to Supplier, Supplier shall provide such information in relation to any person providing services under this Agreement as Customer shall reasonably request. Supplier shall permit Customer to disclose the information to Customer Group Companies and/or any New Supplier or any prospective New Supplier.
- 16.4 The parties acknowledge that it is the policy of Customer to only engage Resource where payments in respect of such Resource are fully taxable through PAYE. Accordingly, Supplier warrants that the Services will only be supplied by Resource where payment made to or in respect of Resource is fully taxable (and subjected to tax and National Insurance deductions under PAYE): (a) as earnings from the Resource's employment with Supplier or a subcontractor previously approved in writing by Customer; or (b) as earnings from the Resource's employment with an Intermediary (provided that such Intermediary is at all relevant times, accredited by the Freelancer & Contractor Services Association (the FCSA)); or (c) under Part 2, Chapter 7 of ITEPA (workers individually engaged by agency). This shall apply whether the payment is made by Supplier, by a Supplier subcontractor or by an Intermediary.

17. SUB-CONTRACTING & ASSIGNMENT

- 17.1 Supplier shall not sub-contract (or purport to sub-contract) any of its obligations or liabilities under this Agreement without the prior written consent of Customer.

- 17.2 Supplier shall ensure that any contract between it and each sub-contractor contains provisions which are the same as or which are materially similar to the provisions contained in this Agreement. Supplier acknowledges that any consent given by Customer under Clause 17.1 shall not relieve Supplier of any of its obligations or liabilities under this Agreement.
- 17.3 Supplier shall not assign, novate, mortgage, charge, declare a trust over, transfer or deal in any other way with this Agreement or any of its rights and obligations under such documents (or purport to do any of the foregoing) without Customer's prior written consent (acting in its absolute discretion).
- 17.4 Customer shall be entitled at any time to assign, novate, mortgage, charge, declare a trust over, transfer or deal in any other way with its rights and obligations under this Agreement to any third party without the prior consent of Supplier.

18. THIRD PARTY RIGHTS

- 18.1 Customer may perform any of its obligations or exercise any of its rights under this Agreement by itself or through any of its Affiliates solely for the business purposes of Customer Group, provided that any act or omission of any Affiliate shall be deemed to be the act or omission of Customer. If Customer is unable to secure the relief it and/or its other Affiliates seek following a first instance decision of the English courts on the basis that the courts consider that Customer is not an interested party to such claim or other civil proceedings or that it has not suffered any loss or the same loss, then the relevant Affiliate shall be entitled to bring such claim or other civil proceedings against Supplier directly.
- 18.2 Supplier acknowledges and accepts that any right or remedy it may have under this Agreement rests solely with Customer and enters into this Agreement on that basis.
- 18.3 Except as provided in Clause 18.1, a person who is not a party to this Agreement has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any of the provisions of this Agreement, but this does not affect any right or remedy of a third party which exists or is available apart from that Act. Notwithstanding the above, a New Supplier shall be entitled to enforce the provisions of paragraph 2 of Clause 16.2.

19. GENERAL

- 19.1 This Agreement may be executed in any number of counterparts, and by the parties on separate counterparts, each of which so executed shall be an original, but all the counterparts shall together constitute one and the same Agreement.
- 19.2 No variation of this Agreement shall be effective unless it is in writing and signed by the parties (or their authorised representatives).
- 19.3 Any notice required or permitted to be given by either party to the other under this Agreement must be in writing and addressed to that other party at its registered office or such other address as may at the relevant time have been notified pursuant to this provision to the party giving the notice. Notices may be given, and are deemed received (i) by hand on receipt of a signature at the time of delivery; and (ii) by Royal Mail Recorded Signed For post at 9.00 am on the second Business Day after posting.
- 19.4 If any provision of this Agreement (or part of any such provision) is or becomes illegal, invalid or unenforceable, the legality, validity and enforceability of any other provision of this Agreement shall not be affected.

- 19.5 No failure, delay or omission by either party in exercising any right, power or remedy provided by law or under this Agreement shall operate as a waiver of that right, power or remedy, nor shall it preclude or restrict any future exercise of that or any other right, power or remedy. No single or partial exercise of any right, power or remedy provided by law or under this Agreement by either party shall prevent any future exercise of it or the exercise of any other right, power or remedy by that party.
- 19.6 Each party shall at the request of the other party, and at its own cost, do all acts and execute all documents which are necessary to give full effect to this Agreement.
- 19.7 The relationship of Supplier to Customer shall be that of independent contractor and nothing contained in this Agreement shall create a relationship of employer and employee, principal and agent or partnership between Customer and Supplier.
- 19.8 Subject to Clause 19.9, the parties agree that this Agreement constitutes the entire agreement between them and supersedes all previous agreements, understandings and arrangements between them, whether in writing or oral in respect of its subject matter. Any terms and conditions incorporated within any Purchase Order issued in relation to this Agreement will similarly have no legal effect.
- 19.9 Notwithstanding Clause 19.8, if any Purchase Order is issued for the provision of any Deliverables in respect of which the parties have, prior to the issue of the relevant Purchase Order, entered into a separate written agreement, the parties agree that the such Purchase Order shall be subject to the terms of that written agreement and that the terms of this Purchase Order shall not apply. If the parties have not entered into a separate written agreement, then this Agreement shall apply.
- 19.10 In the event of conflict between the elements of this Agreement or the terms making up any given Purchase Order, the following order of precedence shall apply (highest first): (i) any terms set out in a Purchase Order which are unambiguously and expressly stated to vary the terms of this Agreement (but then only to the extent of such variation and in relation to that Purchase Order); (ii) any term contained within a Clause to this Agreement; and (iii) the other parts of any relevant Purchase Order.
- 19.11 This Agreement and any dispute or claim arising out of, or in connection with, it, its subject matter or formation (including non-contractual disputes or claims) shall be governed by, and construed in accordance with, the laws of England and Wales.
